Stars wars Yoda headband

To make your own Yoda headband you will first need to gather your resources, once you have them together you can begin. First you need to create the main part of your headband. Start off by cutting 1/2 strips of paper that fit around your head, once you've done this glue the pieces together. Now its time to make your ears, to make the ears use a pencil to sketch a pair of ears (feel free to add some colour). For the final step all you need to do is glue your ears to the opposite sides of your headband and you'll have yourself a Yoda headband.
