What you will need:

- Wool
- Scissors
- Cupcake cases
- Glue
- Pom pom

Make your own wool cupcakes

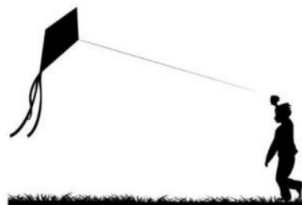

To start with you need to cut a piece of wool about the length of your hand, you need to then put this between your 2 fingers. Then grab the end of your wool ball string and hold that with your thumb you want to start wrapping this around your 4 fingers, you will want to keep going until you have done 10-20 rounds around your fingers. Then snip the end off, the 2 strings your originally put between your 2 finger should be hanging down you are going to use these to a knot around the middle of your layered wool. Once you have done this you should be able to pull the bunch of your hand, you will then need to tie your knot tighter. Then using some scissors, you need to cut the rounded areas of wool so they are separate once you have done this you can fluff it out and this should create your pom pom. The final step is to put your pom pom in your cupcake case and there you have created your own wool cupcake

MUD KITCHEN: MUD CUPCAKES

A MUD KITCHEN IS A GREAT WAY TO GET OUTDOORS AND USE YOUR NATURAL SURROUNDINGS! YOU CAN GO OUT AND PREPARE YOUR MUD CUPCAKES, SPRINKLE WITH SOME SOIL, ADD IN SOME WORMS AND DECORATE WITH A FEW FLOWERS AND LEAVES.

I SUGGEST TO TAKE ALONG POTS PANS, OR CAKE CASES THIS CAN ADD A LITTLE FLARE TO YOUR MUDDY CREATIONS!

POTATO PRINTING!

THIS ACTIVITY WILL NEED PARENT SUPERVISION!

THIS IS A BRILLIANT (MESSY) ACTIVITY TO TRY OUT! NOT ONLY IS IT ECO FRIENDLY BUT BOTH ADULTS AND CHILDREN CAN GET STUCK IN!

ONCE YOUR ADULT HELPER HAD CUT THE POTATO AND CARVED A SHAPE (AFTER BEING SUPER CAREFUL!). CHOOSE YOUR MEDIUMS (PAINT AND PAPER) YOU WANT TO USE. WE SUGGEST A NICE BRIGHT COLOUR PAINT AND EITHER WHITE OR BLACK PAPER TO MAKE THE COLOUR POP!

What you will need:

- Potato
- Paint
- Paper
- Knife

Potato Shape Painting

To start with you will need an adult to cut shapes into the the potato, to do this the need to cut the shape in the middle of the sliced potato for example a triangle they will need to cut the side portions to leave a triangle. Once you have done this with a variety of shapes you can put some paint on a paper plate, then dip the potato in the paint and start stamping the shapes on the paper. What awesome creations can you make using them?
